Thanks to the Glenwood families for a VERY SAFE SEASON, we look forward to seeing you again next year. Valid Recreation passes with a photo and laminated are still good for the 2011 pool season. These cards do not expire until the end of the 2011 season, however, we will begin replacing all cards with new ones beginning next season.

COMMUNITY FALL YARD SALE

The Glenwood Semi-Annual Yard Sale will be held on Saturday, November 6, 2010 from 8-2pm. The ad will be placed in the paper for you and balloons will be available at the office starting Oct. 18, 2010.

EARLY REGISTRATION

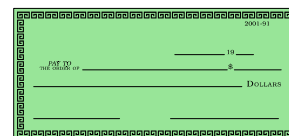

Please sign up early for an event that you are interested in attending. It is easier to cancel than to try to get in after the reservation date has passed. There are a lot of upcoming events, and registration forms are in this issue. REGISTER EARLY.

ASSESSMENTS

The final installment of your 2010 assessments are due as of Sept.1, 2010. Late fees will be assessed as if not received by September 30, 2010.

Functions that take place at Glenwood are for all Glenwood homeowners and renters as long as the association dues are paid current. Please register early so you can Join Us!

INTERNET CHECKS: As previously noted, **please do not mail Internet Checks to the lockbox.** Those checks should be mailed directly to the office. The bank will only process checks received with a coupon, so sending your check on line to the PO Box will result in a delay in having your payment posted.

BUSINESS OFFICE HOURS

Remember our **Glenwood Office is open for business from MONDAY-FRIDAY from 9am-5pm** except holidays. If the Community Center is occupied other than during business hours, it is due to a private party and the **OFFICE IS NOT OPEN.**

TRESPASSING & DESTRUCTION OF PROPERTY

Homeowners, if you use our parks and the sign states **PARK CLOSED AFTER DARK**, we need you to understand you can not enter as well. Whether you are taking a stroll or walking the dog, **NO TRESPASSING AFTER DARK is POSTED for ALL Residents and NON residents.** We are working very closely with the 4th precinct to stop activity in the parks after dark and we need your help to follow these posted rules. The police will be watching the parks, and if they see anyone in them after dark all will be questioned and possibly be given a summons for trespassing. If you see anything that is not normal, **call 911 if it is an emergency, or Police non-emergency 385-5000. Please call immediately!** If you can give a description of a person(s) or vehicle that you have seen in the area, they will take the information as it might help in other activities going on around our community and nearby subdivisions.

COMMUNITY DROPBOX

The dropbox is located at the front of the building, so that you will be able to drive up to it and drop off any items that you have

for the office, including your assessment payments, without getting out of your car. Any association correspondence may be placed in the dropbox. It is checked daily.

Please be sure to include all plats, plans, dimensions, color samples, etc. necessary to fully explain your change.

Thank you in advance for your assistance in resolving matters before a notice needs to be sent. If you have a question as to whether or not something is in violation, please do not hesitate to give the office a call.

ADULT COSTUME PARTY- CHILI COOK OFF

Last years 2nd annual event was outstanding. We are going to have an adult costume party/chili cook off in October. Costumes preferred, but not required to attend this event. Get your vat of chili ready. Prizes for best costume and best chili by popular vote. Register early to be included. The registration form is in this issue.

WHY RESERVATIONS??

We contract with outside companies for most of our parties that need to know a number in advance for their ordering and preparation, so please help us by registering and making your deposit early, so we can be prepared ourselves in our ordering. If we fill up before the deadline a waiting list will be started in case of cancellations. It is easier to call and register and then cancel, then to try to get in after the reservation deadline.

This year we will be asking for reservations for all functions. Please be sure to get your reservation in when asked for to assist us in preparing for the event.

GLENWOOD NEIGHBORHOOD W.A.T.C.H.

**By Jim Sherman-Coordinator
748-7920**

We all take pride in our neighborhoods. We should know our neighbors and look after each other. Joining the Neighborhood Watch program is doing just this, with the added step of calling and reporting suspicious activity you may observe.

The program doesn't require monthly patrols or any special commitment to constantly "watch out your window". Simply be alert to what is "normal" for your neighborhood and report anything you believe to be "not normal" or suspicious. The more of us involved, the safer our Glenwood neighborhood will be.

We had a meeting on July 14, not a great turnout, but we are still going to be able to get our Neighborhood status with the 4th police precinct.

We have had a great sign-up at the photo sessions, but we still need more of you to sign up and we need to let our neighbors know what we do to really make this work.

On Tuesday, Aug. 3, 2010 there is going to be a nationwide "National Night Out", for information call me at 748-7920 or email me at ybsherm03@yahoo.com. You can even go to Nationaltownwatch.org and NATW.org.

Thanks everyone for getting involved and keep up the good work. Remember the NON-Emerg. # 385-5000 and be SAFE.

COMMUNITY CENTER RENTALS

For those of you who have not yet rented the community center, here are a few things to keep in mind. Rental dates may be made up to a year in advance, however, in order to lock in the date, you will have to come in to sign the contract and pay the deposit and rental fee as soon as the date is booked. We have had some cancellations without notice, and then we could not schedule someone else in.

If your plans change, and you have to cancel your date, the entire amount paid will be refunded if you cancel more than 30 days of the event. If the event is cancelled 15-30 days in advance of the event, half of the deposit will be refunded, along with the rental fee, and within 14 days of the event, the rental fee will be refunded, however the entire deposit will be retained.

The rental fee is \$425, and is to be paid along with a deposit of \$425, for a total of \$850, at the time the contract is signed. If you intend to have balloons, there is an additional deposit of \$150 required when the contract is signed. The rental allows five hours for the party along with two hours to set up and one hour to clean up. No cooking is allowed on site, however, caterers may bring warming trays. If you contact the office with a specific date in mind, it may already be booked, so please have an alternate date in mind.

RESALE DISCLOSURE

Please remember that when you are selling your house, you need to provide the buyer with a resale disclosure package. This is required by the Commonwealth of Virginia, and it provides the buyer with a new set of documents, financial statements, the disclosure statement and other information pertinent to the Association. When a contract is signed for the sale, have your agent get in touch with the Association to order this package. The cost for the package is \$150, which is collected at closing, however if you turn in your old set of documents when ordering the new package, you will receive a \$25 discount.

NEED BULK PICK UP?

Go to vbgov.com, click on Bulky Item Collection, and you will be directed to the form to submit your request for pickup. There is a note regarding what the city will not pick up, and then you may place your items at the curb on your regular trash day. **You may also call 385-4650** to provide your information. **DO NOT PLACE ITEMS AT THE CURB UNTIL YOU HAVE CONTACTED THE CITY FOR THE ITEMS TO BE PICKED UP.**

REMINDERS

BOATS, TRAILERS AND RV'S

Boats, trailers and RV's cannot be kept within the Glenwood Community Association if they are (VFNP) Visible From Neighboring Property. If you can see any portion of the boat, trailer or RV above the fence, it is visible and must be removed, or stored so as to not be visible. Please refer to the guidelines for clarification.

PROPERTY MAINTENANCE

Summer is almost over so this is a good time to look at your house and property to see what needs to be done, before Winter sets in. Is your siding covered in mildew? Is your mailbox rotting or in need of a coat of paint? Please look at your property from the perspective of a person buying the house next door. Would you want to live next to what you see? Maintenance includes the yard. Please keep your grass cut, bushes trimmed, beds weeded, and curbs clean. The association has the right to perform work at your expense when your yard is not maintained.

TRASH CANS

Trash cans must be removed from the street and placed either behind the rear foundation of the house, within a fenced yard, or in the garage no later than the evening of your collection day. Also, please note that grass clippings cannot be placed at the curb until the day of collection

New Housing Development Proposed On Indian River Road

An application for a change of zoning for a new housing development on Indian River Road, between Elbow Road and Archdale Drive, has been submitted to the Planning Department. The application requests a change of zoning from R-10 to R-5D with a Workforce Housing District Overlay.

The proposed development will consist of 50 single-family, 3 and 4-bedroom detached homes, and allows for ingress/egress off of Indian River Road only, with 3 lots only accessible via Flax Mill Road, which is off of Larchwood Drive. Sales prices of all the homes are anticipated to range from \$259,000-\$300,000. Six of the 50 homes will be set aside for eligible buyers under the Workforce Housing Program, which is administered by the Department of Housing and Neighborhood Preservation (DHNP).

Buyers for the 6 Workforce Housing units must have incomes between 80% and 120% of the area median income, adjusted for household size, which for a household of four, range from approximately \$54,000.00 to \$81,000.00. The Program is designed to provide high-quality housing that is affordable to vital members of the workforce such as police officers, teachers, nurses, firefighters, military personnel and others.

More information about the Workforce Housing Program is available at www.vbgov.com/housing. For information about this development, or the Workforce Housing Program, contact Cheryl Smith at the DHNP at 385-5742.

ABSENTEE OWNERS

If you are renting out your home, you may want to consider a change to your lease. All landlords should note in their lease, that any violation of the Association documents constitutes a violation of the lease. Please remember that the owners are responsible for the actions of their tenants.

WHAT YOU CAN DO TO HELP US KEEP OUR LAKES HEALTHY.

- Pick up litter before it gets into storm drains.
- Pick up after your pets (Pet waste can be put in a bag and in your trash can)
- Do not blow grass clippings into storm drains
- Do not dump grass clippings, yard waste or other material into lake banks (Water run-off into lakes transports nutrients into lakes which result in algae plumes and fish kills)
- Pick up litter and debris from along and around lake banks

By following the above steps, you can help us help keep our neighborhoods and waterways clean and beautiful.
